PROFESSIONAL EXPERIENCE

PRN PHYSICAL THERAPIST | Overlake Hospital, Bellevue, WA 2019 to Present

- Provide physical therapy, education, and support to patients with geriatric related medical diagnosis, sports injuries, complex multiple injuries, low back, neck, shoulder, hip, knee and foot related pain, headaches, and vestibular related problems in an outpatient orthopedic clinic.
- Utilize diagnostic techniques to identify root cause, and apply multiple techniques, exercises, and manual therapy to treat patients and meet their goals.
- Quickly adapt to changing case load while assisting colleagues, offering support, and partnering with care teams.

PRN PHYSICAL THERAPIST | RET Physical Therapy, Bellevue, WA 2018 to 2019

- Offered high-quality care while serving as care coverage at over 20 clinics to assist patients and direct staff.

PRN PHYSICAL THERAPIST | Kaiser Permanente, Seattle, WA 2017 to 2018

- Aided patients with geriatric and neuro related diagnosis by applying manual therapy to correct patient dysfunction while providing education and resources that encouraged independence.
- Delivered one-on-one care to vestibular and orthopedic patients.
- Designed and communicated home exercise plans to support recovery.

PHYSICAL THERAPIST | Highline Physical Therapy, Burien, WA 2016

- Treated patients with complex co-morbidities, orthopedic, surgical, sports injury, motor vehicle accident, and L&I cases.
- Applied skilled techniques to aid in recovery, including Graston techniques, joint mobilization, full-body assessments, scar mobilization, and myofascial release.
- Educated patients and caregivers, designing at-home exercise programs to aid in recovery and prevention of recurrence.

PHYSICAL THERAPIST | Springfield Hospital, Springfield, PA 2014 to 2015

- Collaborated with physical therapy assistants and cross-functional care teams to aid patients in recovery.
- Utilized manual therapy techniques to treat orthopedic, neurological, vestibular, and women's health diagnoses.

PRN PHYSICAL THERAPIST | Penn Medical System, King of Prussia, PA 2012 to 2014

- Delivered physical therapy treatment to diverse patients in outpatient orthopedic, skilled nursing, assisted living, acute care, and long-term care facilities.

Stanislava Medigovik

Page Two of Two
